Peak belies both of these notions, proving that almost all of us have the seeds of excellence within us - it's just a question of nurturing them by reducing expertise to a discrete series of attainable practices. Peak offers invaluable, often counterintuitive advice on setting goals, getting feedback, identifying patterns, and motivating yourself. Whether you want to stand out at work or help your kid achieve academic goals, Ericsson's revolutionary methods will show you how to master nearly ...

But Peak quickly learns that his father's renewed interest in him has strings attached. Big strings. He wants Peak to be the youngest person to reach the Everest summit — and his motives are selfish at best. Even so, for a climbing addict like Peak, tackling Everest is the challenge of a lifetime. But it's also one that could cost him his life.
