Papers - Revision World

This is the new page for our updated GCSE (9-1) Computer Science qualification.. We have updated our GCSE following the outcomes of the Ofqual consultation, ready for first teaching 2020. We have kept things simple by keeping many aspects the same but have

Download Free Gcse Computing J275 Ocr

taken the opportunity, based on teacher feedback, to make some improvements too, including extra guidance in our specification.

*GCSE - Computer Science (9-1) - J277
(from 2020) - OCR*

Our GCSE in Computer Science is

Page 23/39

Download Free Gcse Computing J275 Ocr

engaging and practical, encouraging creativity and problem solving. It encourages students to develop their understanding and application of the core concepts in computer science. Students also analyse problems in computational terms and devise creative solutions by designing, writing, testing and evaluating
