This revised set of resources for Cambridge IGCSE, IGCSE (9-1) and O Level Business Studies syllabuses (0450, 0986, 7115) is thoroughly updated for first examinations from 2020. This coursebook contains exam-style case studies and stimulus material from businesses around the world - ranging from a social enterprise in China to a fast food outlet in Zimbabwe. These give an international view of the real world applications of Business Studies theory. This book provides comprehensive exam support with questions to help students practise and build their confidence with the subject. The final chapter gives revision tips and advice on writing well-structured answers. The answers to the coursebook questions are in the teacher's resource. For free revision support, go to the Cambridge University Press website.

The only endorsed resources for the Cambridge IGCSE® Enterprise (0454) syllabus. Bringing the world of business into the classroom, this coursebook helps students identify, plan, implement and evaluate their enterprise projects. The book has four sections based around the stages of the project with theory integrated throughout. This helps students relate their practical Enterprise project with the academic principles of business. With a foreword from the specialists at Cambridge Judge Business School, this coursebook helps students appreciate Enterprise skills in the world around them and talk to business people in their communities. Suggested answers to the exam-style questions are in the teacher's resource.

The International Handbook of Curriculum Research is the first collection of reports on scholarly developments and school curriculum initiatives worldwide. Thirty-four essays on 28 nations, framed by four introductory chapters, provide a panoramic
