The Time of the Doves - by Merc è Rodoreda - is the powerfully written story of a na ï ve shop-tender during the Spanish Civil War and beyond, is a rare and moving portrait of a simple soul confronting and surviving a convulsive period in history. The book has been widely translated, and was made into a film.

"Wonderfully strange and strangely wonderful, *The Wanderer* is an epic dream captured in superbly meticulous detail." — Shaun Tan As with Shaun Tan's *The Arrival*, it gives us collective goosebumps to introduce the singular talent and imagination of Peter Van den Ende to North America. Without a word, *The Wanderer* presents one little paper boat's journey across the ocean, past reefs and between icebergs, through schools of fish, swaying water plants, and terrifying sea monsters. The little boat is all alone, and while its aloneness gives it the chance to wonder at the fairy-tale world above and below the waves uninterrupted, that also means it must save itself when it storms. And so it does. We hope that readers young and old will find the strength and inspiration that we did in this quietly powerful story about growing, learning, and life 's ups and downs.

'All the money went and there was nothing to buy food with. So Mothers and Fathers tried to find things they could get rid of, things that ate, things that drank or things that needed to be kept warm. The dogs went first.' *Ivan and the Dogs* is based on the extraordinary true story of Ivan Mishukov, who walked out of his Moscow apartment at the age of four and spent two years living on the city streets where he was adopted by a pack of wild dogs. In the recession-ravaged city, the human world is dominated by deprivation and violence. When social breakdown from extremes of impoverishment, cruelty and selfishness starts to set in, a homeless child's only hope is to turn to feral dogs for company, protection and warmth. This spellbinding story of survival and need conjures the streets of Moscow in the 1990s through the eyes of a child. With innocence and fear, Ivan's perceptions of the world are beautifully described, from the acute awareness of hunger and fear, to the innocent understanding of chemical abuse in the 'empty eyes' of children and the ridiculed 'Bombzi'.

In its moment of great splendor the novel was held as a mirror of society: Merc_ Rodoreda shatters that mirror in this, her most ambitious novel, which tells its story in brilliant fragments, a vision reflected and refracted and finally coming together in a richly articulated mosaic of life. Through this Broken Mirror, the reader sees events and characters spanning three generations and composing a kaleidoscopic family history ranging over six decades and turning upon events both intimate and historic—most notably the Spanish Civil War. Opening with Teresa Goday, the lovely young fishmonger's daughter married to a wealthy old man, the story shifts from one perspective to another, reflecting from myriad angles the founding of a matriarchal dynasty—and its eventual, seemingly inevitable disintegration. A family saga extending from the prosperous Barcelona of the 1870s to the advent of the Franco dictatorship, A Broken Mirror is finally also a novel about the inexorable passing of time.

Two girls who grow up to become women. Two friends who become something worse than enemies. In this brilliantly imagined novel, Toni Morrison tells the story of Nel Wright and Sula Peace, who meet as children in the small town of Medallion, Ohio. “ Extravagantly beautiful. . . . A howl of love and rage, playful and funny as well as hard and bitter. ” —The New York Times Nel and Sula's devotion is fierce enough to withstand bullies and the burden of a dreadful secret. It endures even after Nel has grown up to be a pillar of the black community and Sula has become a pariah. But their friendship ends in an unforgivable betrayal—or does it end? Terrifying, comic, ribald and tragic, Sula is a work that overflows with life.

A Gatsby-esque novel about Spain in the 1920s on the eve of the Spanish Civil War

Winner of the Man Booker International Prize 2011 In the "stifling heat of equatorial Newark," a terrifying

epidemic is raging, threatening the children of the New Jersey city with maiming, paralysis, lifelong disability, and even death. This is the startling theme of Philip Roth ' s wrenching new book: a wartime polio epidemic in the summer of 1944 and the effect it has on a closely knit, family-oriented Newark community and its children. At the center of *Nemesis* is a vigorous, dutiful twenty-three-year-old playground director, Bucky Cantor, a javelin thrower and weightlifter, who is devoted to his charges and disappointed with himself because his weak eyes have excluded him from serving in the war alongside his contemporaries. Focusing on Cantor ' s dilemmas as polio begins to ravage his playground—and on the everyday realities he faces—Roth leads us through every inch of emotion such a pestilence can breed: the fear, the panic, the anger, the bewilderment, the suffering, and the pain. Moving between the smoldering, malodorous streets of besieged Newark and Indian Hill, a pristine children ' s summer camp high in the Poconos—whose "mountain air was purified of all contaminants"—Roth depicts a decent, energetic man with the best intentions struggling in his own private war against the epidemic. Roth is tenderly exact at every point about Cantor ' s passage into personal disaster, and no less exact about the condition of childhood. Through this story runs the dark questions that haunt all four of Roth ' s late short novels, *Everyman*, *Indignation*, *The Humbling*, and now *Nemesis*: What kind of accidental choices fatally shape a life? How does the individual withstand the onslaught of circumstance?

The narrator, a fourteen-year-old boy, describes the cruel customs of a village, including the horrible death of his father, and spends time with a prisoner who explains the strange events in the village.

An international sensation now available in English for the first time, *The Violin of Auschwitz* is the unforgettable story of one man ' s refusal to surrender his dignity in the face of history ' s greatest atrocity.

Read Online Get Mirall Trencat Electronic Book Online

In the winter of 1991, at a concert in Krakow, an older woman with a marvelously pitched violin meets a fellow musician who is instantly captivated by her instrument. When he asks her how she obtained it, she reveals the remarkable story behind its origin. . . . Imprisoned at Auschwitz, the notorious concentration camp, Daniel feels his humanity slipping away. Treasured memories of the young woman he loved and the prayers that once lingered on his lips become hazier with each passing day. Then a visit from a mysterious stranger changes everything, as Daniel ' s former identity as a crafter of fine violins is revealed to all. The camp ' s two most dangerous men use this information to make a cruel wager: If Daniel can build a successful violin within a certain number of days, the Kommandant wins a case of the finest burgundy. If not, the camp doctor, a torturer, gets hold of Daniel. And so, battling exhaustion, Daniel tries to recapture his lost art, knowing all too well the likely cost of failure. Written with lyrical simplicity and haunting beauty—and interspersed with chilling, actual Nazi documentation—The Violin of Auschwitz is more than just a novel: It is a testament to the strength of the human spirit and the power of beauty, art, and hope to triumph over the darkest adversity.

The story of a family is told through the history of a house. This novel unfolds through letters, the life of the family parallels the fate of the house. As it is sold, the family fragments, and although each protagonist tries to recover happiness, they are each now on their own.
