At 14, David Bennett came out to his parents. At 19, he encountered Jesus Christ. At that moment, his life changed forever. As a young gay man, David Bennett saw Christianity as an enemy to freedom for LGBTQI people, and his early experiences with prejudice and homophobia led him to become a gay activist. But when Jesus came into his life in a highly unexpected way, he was led down a path he never would have predicted or imagined. In *A War of Loves*, David recounts his dramatic story, from his early years exploring new age religions and French existentialism to his university experiences as an activist. Following supernatural encounters with God, he embarked on a journey not only of seeking to reconcile his faith and sexuality but also of discovering the higher call of Jesus Christ. *A War of Loves* investigates what the Bible teaches about sexuality

best-known churches in America, The Church On The Way -- Integrity Music will be co-promoting this product along with their music CD of the same title from Jack Hayford. The Father certainly doesn't need our praise, yet He prescribes worship as a daily activity. Why? Because, as pastor Jack Hayford clearly shows us, God graces His people with worship as a gift, not a demand. Worship liberates all of God's people to discover genuine wholeness, but only as they recognize and acknowledge the holiness of God. Hayford examines the lives of more than a dozen biblical figures to illuminate the fulfilling effects of worship -- including seven truths Jesus revealed about the blessings of praise. God's grace fills everything He gives -- and everything He calls us to do. And this same grace overflows in a special and unique way on all of us who humbly and wholeheartedly worship God.
