~~Sing! has grown from Keith and Kristyn Getty’s passion for congregational singing; it’s been formed by their traveling and playing and listening and discussing and learning and teaching all over the world. And in writing it, they have five key aims:
• to discover why we sing and the overwhelming joy and holy privilege that comes with singing
• to consider how singing impacts our hearts and minds and all of our lives
• to cultivate a culture of family singing in our daily home life
• to equip our churches for wholeheartedly singing to the Lord and one another as an expression of unity
• to inspire us to see congregational singing as a radical witness to the world They have also added a few “bonus tracks” at the end with some more practical suggestions for different groups who are more deeply involved with church singing. God intends for this compelling vision of His people singing—a people joyfully joining together in song with brothers and sisters around the world and around his heavenly throne—to include you. He wants you,he wants us, to sing.~~

~~The collaborative efforts of Keith and Kristyn Getty, along with Stuart Townend, have produced long-lasting modern hymns for the church. Arranger James Koerts has created these contemporary arrangements of some of their best-loved praise classics. Titles: Across the Lands (You’re the Word of God) * By Faith * Come, People of the Risen King * Compassion Hymn * How Deep the Father’s Love for Us * In Christ Alone (My Hope Is Found) * My Heart Is Filled with Thankfulness * O Church, Arise * The Power of the Cross (Oh, To See the Dawn) * See, What a Morning (Resurrection Hymn) * Speak, O Lord * Still, My Soul, Be Still (with Be Still, My Soul). "Memorable melodies, chordal accompaniment often in a flowing broken chord pattern, and simple transitions to new keys make these attractive arrangements a delight to learn and to play at an early advanced level." Joyce Janzen, Progressions~~

~~¡Cantemos! Ha sido creado por la pasión del canto congregacional de Keith y Kristyn Getty y ha sido formada a través de viajes, presentaciones, al escuchar , discutir, aprender y enseñar a través de todo el mundo. Al crear este material ellos tenían cinco objetivos clave: Descubrir por qué cantamos y la abrumadora dicha y el santo privilegio que proviene de cantar. Considerar que cantar impacta nuestras vidas, corazones y mentes. Cultivar una cultura de familia que canta, en nuestra vida familiar diaria. Equipar a nuestras iglesias a cantar con sinceridad al Señor y a los demás en una expresión de unidad. Para inspirarnos para ver el canto congregacional como un testigo radical para el mundo. También se han incluido “pistas adicionales” al final, con sugerencias prácticas para usarlas con grupos que están más profundamente relacionados con el canto en la iglesia. El propósito de Dios a través de esta irresistible visión de ver a Su pueblo cantando (personas que alegremente se unen a cantar, hermanos y hermanas alrededor del mundo y alrededor de Su trono) es incluirte, el quiere que tu, y que nosotros cantemos. ~~What Is the Role of Corporate Worship in the Church? Christians worship God at church every week, but many don’t know exactly what worship is or why they do it. For some, it’s a warm-up for the sermon. For others, it’s a “me-and-Jesus” moment. What is the biblically informed way to view corporate worship? In this book, Matt Merker shows that corporate worship is the gathering of God’s people by his grace, for his glory, for their good, and before a watching world. He offers biblical insights and practical suggestions for making worship what it truly is meant to be: a foretaste of God’s people worshipping together for eternity in the new creation.~~

~~While often overlooked, the Book of Jude remains as relevant today as the time it was written. God has commanded His beloved church to do the necessary work of contending for the faith in a world of unbelief, and as we do, He will keep us from falling into the same deception. In this 7-session study from Jackie Hill Perry, dive into themes of being called, loved, and kept, and learn how to point others to Jesus in grace and truth. We serve others well when we share the whole gospel with them, not just the parts deemed attractive by our culture. Have you ever wondered who hummed the first tune? Was it the flowers? The waves or the moon? Dove Award-winning recording artist Ellie Holcomb answers with a lovely lyrical tale, one that reveals that God our Maker sang the first song, and He created us all with a song to sing. Go to bhkids.com to find this book's Parent Connection, an easy tool to help moms and dads (or anyone else who loves kids) discuss the book's message with their child. We're all about connecting parents and kids to each other and to God's Word.

"Saints and sinners, all jumbled up together." That's the genius of Johnny Cash, and that's what the gospel is ultimately all about. Johnny Cash sang about and for people on the margins. He famously played concerts in prisons, where he sang both murder ballads and gospel tunes in the same set. It's this juxtaposition between light and dark, writes Richard Beck, that makes Cash one of the most authentic theologians in memory. In *Trains, Jesus, and Murder*, Beck explores the theology of Johnny Cash by investigating a dozen of Cash's songs. In reflecting on Cash's lyrics, and the passion with which he sang them, we gain a deeper understanding of the enduring faith of the Man in Black.
