GIVE US A KISS is my latest jump into the Woodrell pool and the water is more than fine. In this book we meet Doyle Redmond who has returned to West Table, Missouri, to talk to his brother, Smoke. Smoke is wanted by the law and their parents have sent Doyle back to the Ozarks to try and convince Smoke to turn himself in, pay his dues, and then get on with his life.

Give Us a Kiss, Christabel (1977) | BFI

It is an un-navigable landscape to aliens and strangers and sometimes a barely survivable one for natives. But it is a world expertly drawn with love, comedy, desperation, history and violence. Give Us A Kiss is a great starting point for exploring the universe Woodrell knows, loves, fears and respects.
