Using bisexuality as a frame, Go the Way Your Blood Beats questions the division of sexuality into straight and gay, in a timely exploration of the complex histories and psychologies of human desire. A challenge to the idea that sexuality can either ever be fully known or neatly categorised, it is a meditation on desire's unknowability.

~~Go the Way Your Blood Beats: On Truth, Bisexuality and ...~~

An interesting read on an important subject, Go The Way Your Blood Beats is a manifesto made intensely personal by the re-telling of the authors own personal journey. He examines how bisexuality is viewed within society, and the assumptions and pressures that can be created for its inhabitants.

In a 1984 Village Voice interview, James Baldwin said, "The best advice I ever got was from an old friend of mine... who said you have to go the way your blood beats." As editor Ruff translates it, this means "live life instinctively, intuitively, with integrity and an awareness of consequences, and without self deception."
