Going Solo tells of how, when he grew up, Roald Dahl left England for Africa - and a series of daring and dangerous adventures began... Continuing from where he left off at the end of Boy: Tales of Childhood, Going Solo focuses on Roald's adult life before he began his career as a writer. From plane crashes to snake bites, it takes us through some of the amazing things he experienced while living in Africa, to his time as an RAF pilot during the Second World War.

Going Solo tells of how, when he grew up, Roald Dahl left England for Africa and later went flying with the Royal Air Force, before he became the world's number-one storyteller. Roald Dahl, the best-loved of children's writers, was born in Wales of Norwegian parents. After school in England he went to work for Shell in Africa. He began to write after "a monumental bash on the head", sustained as an RAF pilot in World War II. Roald Dahl died in 1990.

The Dahl of *Going Solo* is a curious Peter Pan-like figure experiencing adult adventures without growing up properly. Apart from a hint of romance when he is in hospital in Alexandria after a plane crash, there is no hint of sex in the book, which is just how we liked it. Dahl's great gift was that he related to
