Phonological Variation in the Jamaican Continuum ...

One of the crucial ways in which prosodic structure governs the distribution of segments is in terms of sonority. By taking into account what is known as the sonority of segments, their arrangement within the syllable follows a clear pattern: the most sonorous segment occupies the peak position, while the less sonorous ones occur towards the margins, as observed in a wide range of ...

Sonority constraints on syllable structure\* | Phonology ...

Colin Painter, *Gonja: a phonological and grammatical study*, Indiana University, 1970 The reaction of the Dyula in the Bono-Banda- Gonja region to these developments was to erect a kingdom of their own in Gonja - the territory northern traders had to cross to reach Akan forestlands, situated in what is now modern Ghana.
