~~Good Night Little Turtle by David Cunliffe Colorful children's book. Hard to read with some pages that have a dark background as the letters are also dark. On the tablet you are forced to view the book in landscape mode. This book shows many different animals and birds as they say good night to one another. Cute pictures of where they sleep.~~

~~The book is (annoyingly, not endearingly) repetitive, and the story lacks charm, whimsy, and imagination (“There was a little tiger / that loves to play./ He would run and wrestle, / and play all day.”). The turtle says goodnight to a random assortment of animals, then reads a story about a tiger going to bed, then goes to bed himself.~~
