Gotham A History Of New
In Gotham, Edwin G. Burrows and Mike Wallace have produced a monumental work of history, one that ranges from the Indian tribes that settled in and around the island of Manna-hata, to the consolidation of the five boroughs into Greater New York in 1898. It is an epic narrative, a story as vast and as varied as the city it chronicles, and it underscores that the history of New York is the story of our nation.

Gotham: A History of New York City to 1898: Burrows, Edwin ...

Gotham: A History of New York City to 1898 is a non-fiction book by historians Edwin G. Burrows and Mike Wallace. Based on over twenty years of research, it was published in 1998 by Oxford University Press and won the 1999 Pulitzer Prize for History. The second volume, written by Wallace, was published in 2017, covering New York City history from 1898 through 1919.

Gotham: A History of New York City to 1898 (The History of ...

Gotham is monumental history, in the sense of Mount Rushmore or the Holy Family Cathedral in Barcelona: the work of decades, an emblem of an age. Here we begin with Indian Manahatta, an earthly paradise for the Lenape Indians, a nomadic tribe that visited the Island to hunt and fish. Then come the Dutch who found New Amsterdam.

Mike Wallace

Gotham at War is an accessible, entertaining account of America's biggest and most powerful urban center during the Civil War. New York City mobilized an enthusiastic but poorly trained military force during the first month of the war that helped protect Washington, D.C., from Confederate capture. Its strong financial support for the national government may well have saved the Union. New York served as a center for manpower, military supplies, and shipbuilding. And medically, New York became a center for efforts to provide for sick and wounded soldiers. Yet, despite being a major Northern city, New York also had strong sympathy for the South. Parts of the city were strongly racist, hostile to the abolition of slavery and to any real freedom for black Americans. The hostility of many New Yorkers to the military draft culminated in one of the greatest of all urban upheavals, the draft riots of July 1863. Edward K. Spann brings his experience as an urban historian to provide insights on both the varied ways in which the war affected the city and the ways in which the city's people and industry influenced the divided nation. This is the first book to assess the city's contributions to the Civil War. Gotham at War examines the different sides of the city as some fought to sustain the Union while others opposed the war effort and sided with the South. This unique book will entertain all readers interested in the Civil War and New York City. About the Author Edward K. Spann is professor emeritus of history at Indiana State University. He is a specialist in nineteenth-century history and urban history. Spann has authored a number of books, including The New Metropolis: New York City 1840-1857 and Ideals and Politics: New York Intellectuals and Liberal Democracy, which was nominated for a Pulitzer Prize.

New York City's identity as a cultural and artistic center, as a point of arrival for millions of immigrants sympathetic to anarchist ideas, and as a hub of capitalism made the city a unique and dynamic terrain for anarchist activity. For 150 years, Gotham's cosmopolitan setting created a unique interplay between anarchism's human actors and an urban space that invites constant reinvention. Tom Goyens gathers essays that demonstrate anarchism's endurance as a political and cultural ideology and movement in New York from the 1870s to 2011. The authors cover the gamut of anarchy's emergence in and connection to the city. Some offer important new insights on German, Yiddish, Italian, and Spanish-speaking anarchists. Others explore anarchism's influence on religion, politics, and the visual and performing arts. A concluding essay looks at Occupy Wall Street's roots in New York City's anarchist tradition. Contributors: Allan Antliff, Marcella Bencivenni, Caitlin Casey, Christopher J. Castañeda, Andrew Cornell, Heather Gautney, Tom Goyens, Anne Klejment, Alan W. Moore, Erin Wallace, and Kenyon Zimmer.
