The European Union of today cannot be studied as it once was. This original new textbook provides a much-needed update on how the EU's policies and institutions have changed in light of the multiple crises and transformations since 2010.

Governance and Politics in the Post-Crisis European Union ...

Politics involves processes by which a group of people (perhaps with divergent opinions or interests) reach collective decisions generally regarded as binding on the group, and enforced as common policy. Governance, on the other hand, conveys the administrative and process-oriented elements of governing rather than its antagonistic ones.

Governance - Wikipedia

The government of the United States is based on a written constitution. At 4,400 words, it is the shortest national constitution in the world. On June 21, 1788, New Hampshire ratified the Constitution giving it the necessary 9 out of 13 votes needed for the Constitution to pass. It officially went into effect on March 4, 1789.
