How do Government & Not-for-Profit practices differ from business practices? - Different purposes in society - Management has special duty to be accountable for how resources are used in providing services - Financed by providers who do not expect benefits proportional to the resources they provide.

[Government & Not-for-Profit Accounting Exam #1 Flashcards ...](#)

Similar to a nonprofit, a not-for-profit organization (NFPO) is one that does not earn profit for its owners. All money earned through pursuing business activities or through donations goes right back into running the organization. However, not-for-profits are not required to operate for the benefit of the public good.
