Leveled readers are books that help students practice and reinforce skills while encouraging a love of reading. Leveled readers are given a reading level based on several characteristics. For a Guided Reading Level, books are given an A through Z level based on difficulty, determined by evaluating several factors. These factors include sentence structure and length, length of words, complexity of letter-sound patterns, story elements, vocabulary, length of text and use of language.

Fluent Readers (Levels Q-Z2) Readers have successfully moved from “learning to read” to “reading to learn.” Their reading is automatic and is done with expression and proper pauses. Their energy is devoted to understanding, and they have good command and use of the various comprehension strategies.

Fountas & Pinnell take you through every aspect of leveled books from how to select and use them for different instructional purposes to prototype descriptions for fiction and nonfiction books at each level.

Much has been written on the topic of guided reading over the last twenty years, but no other leaders in literacy education have championed the topic with such depth and breadth as Irene Fountas and Gay Su Pinnell. In the highly anticipated second edition of *Guided Reading*, Fountas and Pinnell remind you of guided reading's critical value within a comprehensive literacy system, and the reflective, responsive teaching required to realize its full potential. Now with *Guided Reading, Second Edition*, (re)discover the essential elements of guided reading through: a wider and more comprehensive look at its place within a coherent literacy system a refined and deeper understanding of its complexity an examination of the steps in implementation—from observing and assessing literacy behaviors, to grouping in a thoughtful and dynamic way, to analyzing texts, to teaching the lesson the teaching for systems of strategic actions a rich text base that can support and extend student learning the re-emerging role of shared reading as a way to lead guided and independent reading forward the development of managed independent learning across the grades an in-depth exploration of responsive teaching the role of facilitative language in supporting change over time in students' processing systems the identification of high-priority shifts in learning to focus on at each text level the creation of a learning environment within which literacy and language can flourish. Through guided reading, students learn how to engage in every facet of the reading process and apply their reading power to all literacy contexts. Long an advocate of frequent, voluminous reading in schools, the author draws on evidence gathered in twenty years of classroom teaching to make the case for reading workshop more powerful than ever. The book establishes the top ten conditions for making engaged classroom reading possible for students at all levels and provides the practical support and

structures necessary for achieving them.

Literacy intervention should be swift and powerful--and this approach by Jan Richardson and Ellen Lewis provides fast results! After only 6-8 weeks of intervention, students can gain the confidence, proficiency, and skills they need to excel as readers and exit intervention! Based on Jan's bestselling *The Next Step Forward in Guided Reading*, this companion volume is intended to be used together in order to best implement the RISE framework. *The Next Step Forward in Reading Intervention* offers intensive, short-term, targeted instruction in reading, writing, word study, and comprehension. It's a step-by-step handbook for literacy teachers, literacy coaches, and reading specialists who are looking for a proven reading intervention program that really works. "RISE has truly changed the face of intervention at our school." -- Ranita Glenn, Reading Specialist and RISE instructor, Hardy Elementary School, Chattanooga, Tennessee
