The ratio of NGOs to people (1 NGO for 600 people) currently outnumbers the ratio of policemen to citizens (1 policeman for 943 people). However ascertaining the credibility and efficacy of an NGO for a company's CSR implementation is as daunting in sheer volume as it is in the depth of work involved, simply because of the staggering variety and nature of work of NGOs.

Abstract. Recruitment and Selection is a foundation of Human Resource Management (HRM) practices and its integration to business is critical to achieve organisational strategic goals. Better recruitment and selection strategies result in improved organizational outcomes. The basic objective of this research is to explore the recruitment and selection procedures of NGOs based on BRAC; with analyzing these some recommendations are made to improve recruitment and selection practices.
