Indoors or out, on the go or at home, this volume provides plenty ideas for entertaining the tots. It offers parents and caregivers inexpensive, easy-to-do activities designed to teach and amuse children. No special skills or hard-to-find tools are needed, and there's a fun-filled activity for every day of the year.

Challenge and delight children between the ages of three and six with activities that teach while they amuse. This book is packed with clever and creative play ideas designed for your growing child.

Playing with your baby is more than fun and games: it's the key to building a strong relationship with your infant and providing important early stimulation that promotes learning and development. Let's Play and Learn Together provides 100 games, activities, and exercises that parents can do with their baby to foster cognitive, motor, and language skills as well as creativity and relational skills. Let's Play and Learn Together shows parents how they can use daily caregiving routines such as feeding, diapering, dressing, bathing, and bedtime as opportunities for play, positive emotional attachment, and learning. You'll also find play ideas for each age and stage and for different developmental levels.

All new parents are eager to help their baby discover the world around them, and BABY PLAY was designed to help parents engage their infant in activities that will encourage developmental skills. From the first month home through the twelfth, BABY PLAY offers doctor-approved, age-appropriate activities that stimulate discovery, begin communication, and nurture parental bonding. Developed in close consultation with the play experts at Gymboree Play & Music, the book contains an introduction that explains the value of "play with a purpose," information on how babies learn, and tips outlining what a parent can do to help their little on get off to a good start. The book also includes a glossary of key terms in child development, beneficial to any new parent, as well as detailed information on how parents can identify development skills as they emerge in their baby. From stretching exercises to puppet games, BABY PLAY encourages learning during that first critical year of life. Look at what this book offers: Includes over 100 activities for babies 0-12 months.Organized by appropriateness for each month of life.Includes wide variety of play activities, from ball rolling to imitative play. Developed in consultation with the play experts at Gymboree.Contains a useful glossary of key terms in child development.

From the creators of Little Pea and Little Hoot comes this tidy tale of a decidedly different pig. Little Oink is a neat little fellow. Clean, clean, clean, that's all he wants to do. But Mama and Papa won't have it! They say in order to be a proper pig, he has to learn to make a proper mess. "Don't come out until your room is a pigsty," says Papa Pig. "I won't have any child of mine going out looking so neat and clean. It's just not acceptable," says Mama Pig. Readers who hate to clean up will love this humorous twist on a universal dilemma.
