Rating the solutions manual it's self, I would give it somewhere between 3 and 4 stars. It would be MUCH better if it left out fewer steps, and if it covered all the odds, instead of roughly 4/5 of the odds. That said, I did find this manual essential and there is no way I would make it through Physics without it.

engage students and support critical thinking. These include NEW Video Illustrations that bring the subject matter to life, NEW Vector Drawing Questions that test students conceptual understanding, and additional multimedia resources (videos and animations) that provide an alternative pathway through the material for those who struggle with reading scientific exposition. WileyPLUS sold separately from text.

This popular book incorporates modern approaches to physics. It not only tells readers how physics works, it shows them. Applications have been enhanced to form a bridge between concepts and reasoning.
