~~Handbook on automated essay evaluation : current ...~~

Since Ellis Page (1966) published his landmark article, "The Imminence of Grading Essays by Computer," the issue of using computers to grade writing and provide feedback has been a great concern for researchers in language testing and writing instruction. Research has been done for the creation and development of systems for automated essay evaluation (AEE), or automated essay scoring (AES), what has been called the process of evaluation and scoring written prose via computer programs ...
