The Sage Handbook of Inclusion and Diversity in Education

Inclusive education allows students of all backgrounds to learn and grow side by side, to the benefit of all. But progress comes slowly. Inclusive systems require changes at all levels of society. At the school level, teachers must be trained, buildings must be refurbished and students must receive accessible learning materials.

incorporates basic values that promote participation, friendship, and interaction."

EvERYone bElongs in our schools: A Parent's handbook on ...

Inclusive Education involves practical changes you can make as teachers and principals so that ALL children, including those with diverse backgrounds and abilities can succeed in the classroom and in school. These practical changes benefit the children and their parents, all teachers, principals and the community.
