Handbook of Training Evaluation and Measurement Methods ...

Synopsis. This new, third edition of Jack Phillips's classic Handbook of Training Evaluation and Measurement Methods shows the reader not only how to design, implement, and assess the effectiveness of HRD programs, but how to ultimately measure their return on investment (ROI). Each chapter has been revised and updated to include additional research, expanded coverage, and new examples of Dr. Phillips's case studies.

Handbook of Training Evaluation and Measurement Methods ...

Training evaluation can be defined as any attempt to obtain information (feedback) on the effects of training program and to assess the value of training in the light of that information for improving further training. Evaluation of training can be viewed as a method of measuring change in knowledge, skills, attitudes, job performance, costs and the quality of the training facilities.
