Happy Moscow by Andrei Platonov

Happy Moscow shows Platonov as a master of language, weaving out of official names, political speeches, ideological exhortations and popular philosophical hopes a reality equal to the gut feel of Soviet life in the 1930s. Happy Moscow remains an extraordinary read, because politics doesn't get in the way. This is just what it felt like to be swept away by the Soviet ideal of a new humanity.

Amazon.com: Happy Moscow (New York Review Books Classics ...

This is an easy book to recommend and a hard book to review. Happy Moscow is a relatively late and unfinished novel by Andrey Platonov, now considered one of the masters of twentieth-century Russian prose. This edition is a revised version of an earlier translation by Robert Chandler and his associates, now with introduction, annotations, and a number of other related works (the beautiful essay "On the First Socialist Tragedy" alone is almost worth the price of the book, warning about the ...

Happy Moscow: Andrey Platonov: 9780099577256: Amazon.com ...

Summary. Andrei Platonov's novel Happy Moscow (Schastlivaia Moskva) was long in the writing: from 1932 his notebooks were to be filled with fitful ideas of plot and characterisation for a work that was to obsess him for several more years, and in 1933, he finished the first six chapters. What we now know as Happy Moscow may, in fact, have been intended as part of a longer work, Journey from Leningrad to Moscow in 1937 (Puteshestvie iz Leningrada v Moskvu v 1937 godu), yet despite ...

Andrei Platonov's Happy Moscow: Tolstoi, Stalin and the ...

Andrey Platonov's "Happy Moscow". Translated from the Russian by Robert Chandler, Elizabeth Chandler, Nadya Bourova, Angela Livingstone, Olga Meerson, Eric Naiman. New York Review Books Classics, 2012. Love is grasped at but never secured. Each person is exhausted, weary, and alone. "I want to live a future life."

Andrey Platonov's "Happy Moscow" - Words Without Borders

Happy Moscow by Andrei Platonov. My rating: 5 of 5 stars. Happy Moscow reminds me of Superman comics, the darker ones of my youth in the late '80s and early '90s, where a gritty Metropolis was filled with good-hearted people made unhappy by the unkept promises of their moral energy. With its eponymous heroine and her lovers locked in a neverending battle to assemble in history from flawed human material the new Soviet man (of tomorrow, of steel), the novel takes as its theme an ...

Happy Moscow Quotes by Andrei Platonov - Goodreads

Chevengur at OKOLO Theater. Andrei Platonov's dystopian novel is the subject of a sold-out season premiere at the most unassuming and unfashionable of cult theaters in Moscow, the OKOLO (aka Theater Near Stanislavsky). Directed by the mysterious Iurii Pogrebnychko, Chevengur is only an hour long. It also occasionally breaks into one of Ernest Hemingway's Nick Adams stories, a story called ...

Platonov - Happy Moscow!

Happy Moscow Andrei Platonov (Russian : Андрей Андреевич Платонов , IPA: [andrɛj pɫatonɔf] ; 28 August [O.S. 16 August] 1899 [1] - 5 January 1951) was the pen name of Andrei Platonovich Klimentov (Russian : Андрей Андреевич Климентов), a Soviet Russian writer, philosopher, playwright, and poet, whose works anticipate existentialism .

Happy Moscow is a critique of Soviet commodity fetishism, written right from the heart of the socialist second world. The revolution has amounted to a manic repetition of production and...

A More Interesting Grief: On Andrey Platonov - Los Angeles ...

This is the first translation in English of Happy Moscow, Platonov's unfinished novel of the early to mid-1930s. In his short preface Robert Chandler discusses the demands made on the translator by Platonov's text; further insights into the difficulties of translation, and how they can be resolved, are given in his contribution to A Hundred Years of Andrei Platonov.

Happy Moscow Andrei Platonov

Platonov also has a unique ability of recontextualizing Stalin's rhetoric (drawn from his own speeches) in ludicrous parody and metaphor. *Happy Moscow* is a gem of a book. It is a book, that, like the city of Moscow, herself, is, by turns, comic, creative, grotesque, and bizarre, yet ultimately crippled.

Happy Moscow book by Andrei Platonov - ThriftBooks

Andrey Platonov is the most exciting Russian writer to be rediscovered since the end of the Soviet Union. *Happy Moscow* shows Platonov as a master of language, weaving out of official names, political speeches, ideological exhortations and popular philosophical hopes a reality equal to the gut feel of Soviet life in the 1930s. This is just what it felt like to be swept away by the Soviet ideal of a new humanity

Happy Moscow by Andrey Platonov - Penguin Books Australia

Only a small percentage of the literature published in Sudan is written by women, and even less finds its way into English. This month we're taking a step toward addressing that imbalance by presenting excerpts from five novels by female Sudanese

Words Without Borders:

1980 In Moscow, Andrei Dmitriyevich Sakharov, the Soviet physicist who helped build the USSR's first hydrogen bomb, is arrested after criticizing the Soviet military intervention in Afghanistan. He was subsequently stripped of his numerous scientific honors and banished to remote Gorky;
