The heroine of Hello Stranger is Dr Garrett Gibson, the only female physician in Britain. I had been so looking forward to reading about her struggle in the entirely male-dominated world of Victorian medicine - but found it ironic that the main part of the plot should revolve around Ethan, a government spy, and his problems.

CONNECTED BOOKS: HELLO STRANGER is the fourth book in the Ravenels series. While this series has a different couple in each book, this is the story of a family and thus the books have overlapping characters and in this case, the romance between Garrett and Ethan actually begins in MARRYING WINTERBORNE and continues in DEVIL IN SPRING.
