From Wall Street Journal and USA Today bestselling author Bella Love-Wins comes an emotionally dark mafia crime family romance serial. My name is Antonio DeLucci. They call me The Trigger. I'm the most trusted made man in the Romano crime family. I'm at the peak of my career with the mob, and in their good graces, but I'm not their blood. All this time, I thought there was an upside to that fact. It meant one day, I could have her. Natalia. The boss's only daughter and sole heir of the Romano empire. I protected her since she was a kid. I craved her since the day she turned eighteen and snuck into my apartment to tell me she wanted to be mine and mine alone. But she is forbidden. Off limits. I wouldn't dare give in to temptation. Until now. And when her father finds out what I'm now doing in secret with his sweet virgin daughter, there'll be hell to pay. Loyalty is everything to him, and I've betrayed him in the worst possible way, with the person that matters most to him. Any day now, it'll all come back to haunt me. Except right now, I don't care. She's mine, and I'll move heaven and earth to keep her. No matter the cost. No matter how far I fall. Even if it kills me. Author's Note: Fall is book one of the Saints of Sin Series. This is a full-length serial romance that ends in a cliffhanger. Cover design by Book Cover by Design (Kellie Dennis).

One geology intern who desperately needs to be rescued from a hostage situation, One billionaire who has the capability to save her life, Two people who are inexplicably drawn to each other even though they have almost nothing in common. Although this story is part of The Billionaire's Obsession series, it is the first book of the California Billionaires and can be easily enjoyed as a standalone billionaire romance. *Jaylor* Just when I thought I was destined to die in a foreign country after being kidnapped while doing a geological exploration, a mysterious rescuer shows up just in time to save my life. Unfortunately, my liberator also happens to be the co-CEO of Montgomery Mining, my employer, and a billionaire with an attitude. At first glance, Hudson Montgomery seems like the quintessential gorgeous billionaire with plenty of money to burn, and no concern for anyone but himself. The arrogant billionaire I could handle, but I wasn't quite so sure how to deal with the amazing guy I discovered once I looked past the superficial exterior. The one who stayed by my side as I recovered mentally and physically from the trauma of being a hostage. There was so much more to Hudson than just billions of dollars, a prestigious last name and a very handsome face. When the white-hot chemistry between the two of us finally explodes, do I trust the man I've come to know, or do I accept that Hudson Montgomery is the same guy the rest of the world sees?

His professional football career over due to a tragic accident, billionaire Kade Harrison takes on the task of solving a mystery for his brother-in-law and friend, Max Hamilton. Without his former career to fill every minute of the day, Kade's looking for something to challenge him--now that he's lost the career that had meant everything to him. But what starts out as a simple favor soon becomes a whole lot more than he bargained for when the woman he's seeking slips away from him every time he gets close to finding her. When Kade does finally corner her, things start to get even more complicated. Asha Paritala is nothing like he expected, and the female he had tracked down as a favor for Max soon becomes a woman he wants for his very own, a woman who makes protective and highly predatory instincts he didn't know he had flare to life inside him. Kade soon discovers that he wants Asha's total surrender to the desire and passion that vibrates intensely between the two of them, but he also wants her trust, the one thing Asha's history makes it difficult for her to give. Can Kade convince her that some things are worth risking it all? Caught between two worlds, Asha Paritala is homeless, broke and damaged from a life of abuse and neglect. Born of an American mother and an Indian immigrant father, Asha was raised as an Indian woman by a foster family after the death of her natural parents when she was little more than a baby. She's spent her entire life under the control of others until finally breaking free two years earlier, and she's determined to keep her freedom, even if it means she has to struggle to survive. But when she meets Kade Harrison, her resolve is tested. After Kade helps her through a bad situation, she finds herself beginning to trust Kade as she's never trusted a man before. Kade is everything she always thought a man should be, but can she lose herself in him completely when she knows she's damaged and confused.
