Occultism, then, is the study of the hidden side of nature; or rather, it is the study of the whole of nature, instead of only that small part of it which comes under the investigation of modern science. At the present stage of our development, by far the greater part of nature is entirely unknown to the majority of mankind, because they have as yet unfolded only a minute proportion of the faculties which they possess.

The Hidden Side of Things. In this classic work of clairvoyant investigation first published in 1913, Charles Leadbeater reveals those hidden aspects of the physical world that, once seen, imbue life with greater significance, happiness, and meaning. Normally glimpsed by only a few, these hidden realms consist of the fourth dimension, the higher world, and the plan and purpose of existence.

Lego Hidden Side is a Lego theme, which was first introduced in 2019. It takes place in the fictional city of "Newbury" and links the manufacturer's play sets to an app of the same name (for iOS and Android), which is used to hunt, capture and collect ghosts according to the principle of "augmented reality". The series came on the market in 2019 and, after the now discontinued Lego Dimensions ...

Lego Hidden Side - Wikipedia

Hidden in plain sight behind above Upper West Side restaurant Burke & Wills is the Manhattan Cricket Club. A nod to Australia’s favourite sport, it’s a private members’ club with a twist: it’s open to the public, though membership does have its perks, including priority seating, tasting events, and private liquor lockers.
