~~Hidden Years: A Novel about Jesus by Neil Boyd~~

~~Description: The Gospels tell us a good deal about the birth of Jesus Christ and then about his public ministry, which he started when he was thirty years old. Apart from one incident which took place when he was twelve, the Bible passes over the intervening years. However, there are clues to be found about Jesus' early life, and by piecing them together in this booklet Paul E. Brown sheds light on those years, which prove to be of great interest and value for our own Christian living.~~

~~The unknown years of Jesus generally refers to the period of Jesus's life between his childhood and the beginning of his ministry, a period not described in the New Testament. The "lost years of Jesus" concept is usually encountered in esoteric literature but is not commonly used in scholarly literature since it is assumed that Jesus was probably working as a carpenter in Galilee, at least some of the time with Joseph, from the age of 12 to 29, so the years were not "lost years", and that he die~~

~~Jesus is depicted from the human point of view, both at work and at play, and His boyhood is represented as being far from unhappy. Throughout the novel the situations in which Jesus figures - some of them very unusual - are handled with the utmost reverence. Some foxing to end pages and edges.~~
