Historical theology is the study of the history of Christian doctrine. Grenz, Guretzki and Nordling describe it as, "The division of the theological discipline that seeks to understand and delineate how the church interpreted Scripture and developed doctrine throughout its history, from the time of the apostles to the present day.

~~Historical theology - Wikipedia~~

Answer: Historical theology is the study of the development and history of Christian doctrine. As its name implies, historical theology is a study of the development and formation of essential Christian doctrine throughout the history of the New Testament church period.

~~What is historical theology? | GotQuestions.org~~

Historical theology is the discipline that studies the interpretation of Scripture and the theological formulation of the church in the past. In other words, it asks: how has the church in the past interpreted the Bible? How has the church formulated and expressed its theology? So, think of historical theology as wisdom from the past.

~~What is Historical Theology? | Zondervan Academic~~

" Historical theology integrates the thoughts of other Christians throughout the centuries since the times of the Bible. Church history is of vital importance to historical theology since it provides theology the context in which it was produced and defined.

~~Bloomsbury - Historical Theology~~

A helpful overview of historical theology. The book is divided into four sections: the Patristic (16-76), the Middle Ages and Renaissance (77-123), Reformation and Post-Reformation (124-181), and Modern Period (182-168). McGrath does an outstanding job connecting the development of ideas, especially his expertise on justification.

~~Historical Theology by Alister E. McGrath~~

Greek theologia (θεολογία) was used with the meaning "discourse on god" around 380 BC by Plato in The Republic, Book ii, Ch. 18. Aristotle divided theoretical philosophy into mathematike, physike and theologike, with the last corresponding roughly to metaphysics, which, for Aristotle, included discourse on the nature of the divine.
