## **Popular culture - Wikipedia**

The term "popular culture" was coined in the mid-19th century, and it referred to the cultural traditions of the people, in contrast to the "official culture" of the state or governing classes. In broad use today, it is defined in qualitative terms—pop culture is often considered a more superficial or lesser type of artistic expression.

## **The Definition of Popular Culture in Sociology**

## **Is a history of popular culture possible? - ScienceDirect**

A History of Popular Culture explores the rapid diffusion and 'hybridization' of popular culture as the result of three conditions of the world since the end of World War Two: instantaneous communications, widespread consumption in a market-based economy and the visualization of reality. Betts considers the dominance of American entertainment media and habits of consumption, assessing adaptation and negative reactions to this influence.
