This book is an excellent, although sometimes opinionated, overview of the abolitionist movement of the 19th century. The author will occasionally toss in a zinger without backing it up, but the factual parts which make up the bulk of the book are very much worth reading if you are interested in the history of slavery, abolitionism or the causes of the Civil War.

HOLY WARRIORS: THE ABOLITIONISTS AND AMERICAN SLAVERY It is historian James Brewer Stewart's thesis that the massive social changes and revivalism in the 1820's had started New England's abolitionist crusade against slavery. Revivalism had given a powerful impact to abolitionism in the eighteenth century.

~~Holy Warriors: The Abolitionists and American Slavery ...~~

Abolitionists proposed to transform 100s of 1000000s of dollars worth of slaves into black citizens by eliminating two centuries of American racism. Abolitionists were barely acting similar Rebels as they opened their campaign. while still believing that the instant abolishment of the slave system is safe. Yet. emancipationists set out to promote each American citizen to atone the wickedness of bondage.

~~Holy Warriors The Abolitionists And American Slavery [PDF]~~

"Holy Warriors" is a strong antidote to the history of white supremacy in America. It shows, to paraphrase Margaret Mead (I think) not only can the course of history be changed by a small, dedicated group, but that maybe history has always only been changed (at least non violently) by such a group.
