Have you ever wished you had the time and tools to organize your house in a clutter-free, design-conscious, Pinterest-worthy way? From storage solutions and cleaning tips to secret space-saving methods and expert strategies, The Complete Book of Home Organization is packed with the tips and shortcuts you need to effectively organize your home. From small spaces and apartment solutions to how to tackle a big, messy home with a 15-week total home organization challenge, this book covers it all. The Complete Book of Home Organization spells out everything you need to de-clutter your house, store your belongings, and keep your home—and life—in tip-top shape. With high-quality design, intricate detail, and a durable flexicover—this manual is the perfect gift! Organize the 30 main spaces of your home, including the living and dining spaces, bedrooms and bathrooms, guest areas, baby and kids' rooms, utility spaces and garages, entryways and offices, patios and decks, closets and pet areas! Keep track of your pantry, holiday and craft supplies, weekly menu planning, keepsakes, and schedules. From the basement to the attic, this book covers every nook and cranny. With step-by-step instructions, detailed illustrations, and handy checklists, say goodbye to a messy home and wasted storage space!

The only home organizing solution you need to help you declutter, downsize, and purge unwanted stuff from your home. This master plan from an experienced Certified Professional Organizer(R)boils down to five simple steps to organize everything in your home. Change your life with this easy organizing solution for stuff, and then apply those same steps to organize everything from your time to papers to your email and even your finances. Getting organized is one thing. Staying organized is another. Learn how to do both using this proven system and guiding principles used by HeartWork Organizing's clients since 2005. Purging your stuff doesn't have to be painful, because the focus isn't on tossing stuff, but on finding your treasures. Decluttering becomes second nature when you learn how to stop clutter before it even starts.

An organized home office is your key to finally getting things done. Start here if:•You are fed up with paper•You are fed up with email•You are fed up with being disorganized throughout your lifeDon't have an entire room for a dedicated home office? Turn an alcove, a loft, a corner of your bedroom or the dining room table into an upbeat home office you want to run to...not from. Tame never-ending email. Organize electronic files. Add just a few essential tech tools, leading to an organized mind so you can enjoy your day more.Everyone deserves a home office. If you are an entrepreneur, run a home-based business or work remotely, a home office is a necessity. Even if you don't work from home, everyone needs a space to pay bills, answer email, and charge your electronics. You can learn to have better time management skills in a home office that makes you smile.Faster than you thought possible, you'll learn to:•Clear your desk•Reduce unwanted email•Stop losing computer files•Go paper-less without scanning•Never lose important papers again•Save time with one change to your to-do list•Stay organized longerThe SORT and Succeed system is just five simple steps to organize your home office one area at a time. Find time, save money, and overcome information overload with organizing strategies you'll actually use. Starting with an entrepreneurial mindset, you'll be motivated to complete your projects with a repeatable system for success.Darla DeMorrow is a Certified Professional Organizer ® with more than a

decade of experience working in corporate offices and home offices. She developed the SORT and Succeed system to help you get organized and stay organized.

Getting--and staying--organized is a challenge in and of itself. Add motherhood to the mix, and you've got a whole new dimension of difficulty. So how does a busy mom stay on top of the daily chaos that children inevitably bring along with them? No matter what your situation is, Kristi Clover's home organization systems will work for you. Her foundational rules are highly adaptable and will help you make your home more efficient no matter where you live or how many kids you have (and how messy they are). She helps you prioritize, break down big jobs, declutter, develop age-appropriate chores for your kids, tackle the endless piles of laundry, and so much more. If you long to have a functional and fabulous home for your family and you're tired of feeling overwhelmed by all the work, this life-changing book is for you!

Buy fewer (and better) things. Store like with like. Get rid of the plastic. Display—don't stash—your belongings. Let go of your inner perfectionist and remember that rooms are for living. These are a few of the central principles behind *Remodelista: The Organized Home*, the new book from the team behind the inspirational design site [Remodelista.com](http://Remodelista.com). Whether you're a minimalist or someone who takes pleasure in her collections, we all yearn for an unencumbered life in a home that makes us happy. This compact tome shows us how, with more than 100 simple and stylish tips, each clearly presented and accompanied by full-color photographs that are sure to inspire. Readers will learn strategies for conquering their homes' problem zones (from the medicine cabinet to the bedroom closet) and organizing tricks and tools that can be deployed in every room (embrace trays; hunt for unused spaces overhead; decant everything). Interviews with experts, ranging from kindergarten teachers to hoteliers, offer even more ingenious ideas to steal. It all adds up to the ultimate home organizing manual.

*Organizing Solutions for People with ADD, 2nd Edition* outlines new organizing strategies that will be of value to anyone who wants to improve their organizational skills. This revised and updated version also includes tips and techniques for keeping your latest technologies in order and for staying green and recycling with ease. Attention Deficit Disorder (ADD) and Attention Deficit Hyperactivity Disorder (ADHD) are prevalent in society today, afflicting about 4.4% of the adult population—over 13 million Americans. Four out of every five adults do not even know they have ADD. The chapters, organized by the type of room or task, consist of practical organizing solutions for people living with ADD: At work: prioritizing, time management, and organizing documents At home: paying bills on time, decluttering your house, scheduling and keeping appointments With kids: driving them to various activities, grocery shopping and meals, laundry, babysitters, organizing drawers and closets And you: organizing time for your social life, gym, and various other hobbies and activities Color photographs that capture the short attention span of the reader are featured throughout, as well as sidebars and testimonials from adults with ADD, providing numerous organizational tips, such as the importance of dividing time into minutes or moments, task completion, how to avoid procrastination, asking for help, and how not to be a pack rat. Get your life in order with this witty and sympathetic guide to organization.

Are you a disorganized person who would like to change? Is your home and life in chaos because of the way you live? This book will help you achieve your aims! There is nothing worse than being disorganized. The mess and confusion it creates have a knock-on effect into every aspect of our lives and this can lead to some very serious consequences if we miss paying bills or attending appointments, or if we simply cannot find what we are looking for when we want it. You don't have to be disorganized, however. It is something that is
