Homes: Today & Tomorrow offers a visual guide to interior design and consumer-based housing courses. Students will move from design problems to completed design solutions with the easy-to-follow guide to the design process. They will face consumer-related issues and learn to make wise consumer decisions. The highly visual format enhances learning, with the latest information on technology developments and professional practices. Homes: Today & Tomorrow is usually used in grades 10-12.

Homes & Interiors offers content appropriate for both an interior design course and a consumer-based housing course. This edition places even greater emphasis on the interior design process. Units 1 & 2 address housing from a consumer point-of-view. Units 3 & 4 focus on the actual structure and style of homes. Units 5 & 6 familiarize students with the interior design process. Special topics that are highlighted include Consumer Considerations, Commercial Applications, The Impact of Technology, and Careers in Housing and Interiors. Homes & Interiors introduces students to the myriad of career pathways in housing and interior design.
