For homeschool math lessons, I am using the textbook Houghton Mifflin Math Grade K and the accompanying workbook. The textbook begins with basic counting and contains sections on patterns, plane shapes, solid shapes, wholes and parts, and more. The 124-page black and white workbooks provides supplemental practice for each section of the textbook.

The book was a great workbook to practice the lessons in the textbook. Of course there was some writing in the workbook as it was purchased used, but the writing was easily erased by me prior to my child using the book so it was as good as new. The workbook had great activities to practice the math lessons that were in the book.

incorporates mathematical practices in every lesson so students develop the mathematical thinking they need. It features exploration-driven lessons that begin with problem-based situations and build to more abstract problems. It includes resources to personalize instruction for RtI, online assessment, and ongoing data to inform instruction for Intervention, ELD, and challenge."--Publisher's website.
