The present housing market has worked well for many of us (who have enjoyed the steeply rising values of our homes)

which is why change, especially new building, is resisted. But for increasing numbers it now works less well as home

ownership is out of reach, and for many years it has been commonly felt that there is a 'housing crisis' in Britain.

Put in perspective, that is enough housing for the entire population of Boston or Seattle . This updated and expanded Housing Plan will: » Create more homes for seniors by dedicating underused public lots for new affordable senior housing, and make new and preserved affordable housing more accessible to seniors and people with disabilities.

~~Housing New York - Welcome to NYC.gov | City of New York~~

PLACES is: a collaborative approach to planning for diverse, livable neighborhoods. As part of Mayor Bill de Blasio's Housing New York plan, the Department of City Planning (DCP) is organizing a series of place-based planning studies to foster diverse, livable neighborhoods with mixed-income housing and supporting services. PLACES is a people-centered planning approach in which DCP and other ...
