How to Be a Great Boss: Amazon.co.uk: Wickman, Gino, Boer ...

Differences between a Boss and a Leader. One major difference between a boss and a leader is that while a boss will want his own ideas to be heard and followed at all times, a leader derives pride in seeing that his followers bring up good ideas that can bring about positive changes and growth to the team or organization that he leads.

How to Be a Leader, Not a Boss: 5 Secrets | JUST Creative

A person who knows what he or she wants, knows how to get what he wants, and gets it when he wants. He or she lives by his or her own code and does not care about what others think. A boss has his or her own personality, and does not follow the norm, just because it is the norm. A boss does not settle for less than he or she is worthy of.

Urban Dictionary: Boss

Example [my boss] 60-something law clerk who thinks my knee-length pencil skirts, 2.5 inch heels and dresses with a belt to cinch my waist are too s3xy and inappropriate. On Monday, she pointed out my shoes (which were the same colour as my blouse) to a male law clerk and said I was too coordinated and was trying to impress him.

If your employees brought their "A-Game" to work every day, what would it mean for your company's performance? Studies have repeatedly shown that the majority of employees are disengaged at work. But it doesn't have to be this way. Often, the difference between a group of indifferent employees and a fully engaged team comes down to one simple thing—a great boss. In How to Be a Great Boss, Gino Wickman and René Boer present a straightforward, practical approach to help bosses at all levels of an organization get the most from their people. They share time-tested tools that have worked for more than 30,000 bosses in every industry. You can learn to be a great boss—and dramatically improve both your organization's performance and your team's excitement about their work. In this book you will discover: How to surround yourself with great people How to make more effective use of your time The difference between leadership and management and why they're equally important The five leadership practices and five management practices of all great bosses How to create accountability How to develop productive, relationships with each of your people How to deal with direct reports that don't meet your expectations How to Be a Great Boss provides practical tools that you can apply immediately with your people, allowing you to focus on improving and growing your organization and truly enjoy what you do.

The Careerist - 100 ways to get ahead at work is a handy, quick-fix reference guide on how to improve your career prospects. Based on the weekly column in the Financial Times by Rhymer Rigby, it provides expert advice for those difficult career moments such as how to: do presentations, work a room, delegate effectively, market yourself, bounce back from failure, sack someone, use extracurricular activities, be more ambitious, change sector, make a good impression, ask for a pay rise, future proof your career, get headhunted, socialise with colleagues, find a mentor, deal with fights at work, deal with stress, set goals, manage former colleagues, step into big shoes, come across well in meetings, make humour work for you, deal with criticism, resign and much, much more. With expert opinions from industry professionals on every topic, The Careerist provides rubber-stamped career advice you can trust.

Furnishes women with much-needed advice, inspiration, strategies, and guidelines on how to manage effectively, offering lessons in leadership training, team-building tactics, navigating office politics, delegation, and creating one's own corporate culture, along with quizzes, tips, checklists, exercises, and entertaining sidebars. Reprint. 30,000 first printing.

You never dreamed being the boss would be so hard. You're caught in a web of conflicting expectations from subordinates, your supervisor, peers, and customers. You're not alone. As Linda Hill and Kent Lineback reveal in Being the Boss, becoming an effective manager is a painful, difficult journey. It's trial and error, endless effort, and slowly acquired personal insight. Many managers never complete the journey. At best, they just learn to get by. At worst, they become terrible bosses. This new book explains how to avoid that fate, by mastering three imperatives: · Manage yourself: Learn that management isn't about getting things done yourself. It's about accomplishing things through others. · Manage a network: Understand how power and influence work in your organization and build a network of mutually beneficial relationships to navigate your company's complex political environment. · Manage a team: Forge a high-performing "we" out of all the "I's" who report to you. Packed with compelling stories and practical guidance, Being the Boss is an indispensable guide for not only first-time managers but all managers seeking to master the most daunting challenges of leadership.

This updated edition tells you what you need to know about managing in a global environment - dealing with social media, managing change, and virtual and remote teams. Congratulations. You got the promotion? you're finally THE boss. You've been rewarded for knowing your stuff BUT as a first-time manager, you may not know how to be a good manager. Where do you start? How do you get things done? Bob Selden's always practical book offers seasoned advice to help you make a success of your new role.

The author of Getting from College to Career reinvents the concept of management for a new generation, offering a fresh and relevant approach to career success that shows them how to make the next step: becoming a leader. We are in the midst of a leadership revolution, as power passes from Baby Boomers to Millennials. All grown up, the highly educated Generation Y is moving into executive positions in corporations and government, as well as running their own businesses, where they are beginning to have a profound impact that will last for decades. Written exclusively for Gen Y readers to address their unique needs, Becoming the Boss is a brisk, tech savvy success manual filled with real-world, actionable tips, from an expert they respect and relate to. Lindsey Pollak defines what leadership is and draws on original research, her own extensive experience, and interviews with newly minted Gen Y managers and entrepreneurs around the world to share the secrets of what makes them successful leaders—and shows young professionals how to use that knowledge to rise in their own careers. From learning to develop a style that appeals to your older colleagues, to discovering the key trends affecting your career, to mastering the classic rules of excellence that never go out of style, Becoming the Boss helps you identify your next professional move and shows you how to get there.

Now Updated and with New Success Tips! The Great Boss Simple Success Formula: Companies Do What the Boss Does Groom 'Em, or Broom 'Em Hire Slow, Fire Fast Don't Be Tired The Rule of the Ds Delegate Down, Down, Down Don't Hire a Dog and Bark Yourself Don't Shoot from the Lip Never Be Little, Never Belittle Listen to Phonies, Fools, and Frauds Don't Check Expense Accounts "Quit" Is for Scramble® It's Okay to Be Quirky Did you ever have a great boss? Everyone should have one, but not enough people do. If you're a boss, or hope to become one, or have a less-than-great boss, then this is the book that could change your career—and your life. In times like these, being a great boss can be harder than ever. If you want surprising and useful advice on how to handle the tough stuff—from having to fire a long-time employee to being a new boss with a demoralized team—the stories, observations, and advice contained in this gem of a book will set your feet in the right direction. And if you just want advice on living up to the legend who preceded you in the job, or even ways to emulate someone who was a great boss to you, Jeffrey Fox has gathered anecdotes from some of the mightiest and most respected bosses in America. The bestselling author who brought you How to Become CEO and How to Become a Rainmaker knows the territory about which he speaks. Fox is the master of the counterintuitive angle. For every boss who has implied "I know what's best, that's why I'm the boss," Fox counsels, "Listen to Phonies, Fools, and Frauds" and "Don't Check Expense Accounts." His stories from bosses who have cared equally for employees' lives and the bottom line will inspire you to see that profit counts, but so do camaraderie, motivation, and a great place to work. In a time of considerable corporate downsizing, it's more important than ever for bosses to surround themselves with motivated employees. Jeffrey Fox's How to Become a Great Boss will have a place on the shelves of top brass everywhere who want to remain leaders of their pack.

Bruce Tulgan shows bosses how to get things done by solving corporate America's huge problem with simple, effective management. In this call-to-arms, consultant and speaker Bruce Tulgan puts his finger on biggest problem in corporate America: no one wants to be the boss. No one wants to take responsibility and tell their employees what to do and how to do it. More importantly, no one wants to follow up and make sure that assignments were done and done right. Making a clear distinction between managers who interfere with the work at hand and managers who are simply afraid to take charge by setting clear goals and evaluating work, Tulgan opens eyes to the undisciplined workplace that is frustrating workers at every level. Giving a clear 8-step path to becoming a strong manager, Tulgan will empower anyone to be the best bosses they can be.

An employee's-eye view of what makes a great boss—and how you can become one Whereas most books on managing people approach the subject from the perspective of a manager of an idealised organisation, Becoming a Better Boss takes a real-world approach, looking at the topic from the perspective of an employee in a real-world organisation\dysfunctions, warts, and all. Focusing on the choices individual employees make every day in getting work done, this book reinvents the practice of management one employee at a time. Author Julian Birkinshaw stresses the importance of taking management seriously, reveals where management practice often goes wrong, and dives deeply into the worldview of employees. He then explores the common personal biases and frailties of managers and discusses the vital importance of experimentation to overcome the limitations and idiosyncrasies of a particular organisation. Throughout, he supports his assertions with case studies from a wide and varying range of management experiments and situations at real companies. Written by a leading authority on strategy, management, and innovation who is also the author of eleven books, including Reinventing Management Introduces a new approach to management focused on real employees and actual situations Includes case studies from real organisations Between the stress of deadlines and the demands of today's business environment, it's easy for managers to lose sight of the importance of people management. Becoming a Better Boss not only shows managers how to lead effectively, but why doing so is vitally important to every organisation's success.
