IATA Cabin Waste

Geneva - The International Air Transport Association (IATA) supports the wearing of face coverings for passengers and masks for crew while on board aircraft as a critical part of a layered approach to biosecurity to be implemented temporarily when people return to traveling by air. IATA does not support mandating social distancing measures that would leave ' middle seats ' empty.

IATA – IATA Calls for Passenger Face Covering and Crew Masks

The latest version of the International Air Transport Association's (IATA) Standard Ground Handling Agreement (SGHA) went live on 1 January 2018. We consider the main changes introduced by SGHA 2018 – an industry standard template for airlines and handlers that has been the benchmark for more than 25 years.
