[Previously known as Advanced Level Audit Q&A.] New 2019 edition based on the updated 2019 ICAEW Study Manual and including analysis of the audit and assurance elements of the 2014 to 2018 Advanced Level ICAEW past papers in both Corporate Reporting and Strategic Business Management. Fully updated for IFRS 9 and IFRS 15 Study Manual content. This Q&A uses a self-test methodology to reduce the very dense Advanced Level Audit & Assurance syllabus into over 800 active questions, making the topic more interesting and interactive to study. Helps to build your confidence and avoid becoming overwhelmed by the large number of learning points in full exam standard questions and in the vast and dense Study Manual. Instead, our Q&A tests one thing at once and therefore allows you to learn an issue properly before moving on. In this way, you can build your knowledge effectively without trying to cover too much at the same time. Questions are split into 13 different topic areas and also include relevant past paper questions from the old "Technical Integration" papers for further practice. The introduction to the book analyses the papers set for the first 10 sittings of the Corporate Reporting and Strategic Business Management papers, which were introduced with effect from July 2014. We also include relevant questions and detailed analysis of the mark allocation from Technical Integration past papers over the 2009-2013 period, showing you which areas to prioritise - the Evolved ACA Audit syllabus is relatively unchanged from the previous Technical Integration syllabus so we believe that this analysis will remain valid for the Advanced Level. We also include extensive testing of the new "Audit Focus" sections which can be found hidden away at the end of the financial reporting chapters of the Corporate Reporting Study Manual - easily missed when preparing for Audit! Combined with our companion Advanced Level Audit & Assurance Exam Room Notes book, this Q&A should provide all that you need to pass Advanced Level questions involving Audit and Assurance - this means potentially all 3 questions in Corporate Reporting and vital marks also in at least one of your Strategic Business Management questions. Analysis of distribution of past paper marks in CR and SBM papers set from 2014 to 2018 to help you focus your revision on key areas. Contains questions on areas such as auditing standards, audit tests, specialist assurance areas such as internal auditing, environmental and social auditing, agreed upon procedures and groups. See [www.acasimplified.com](#) for more information on our Q&A technique.

(Previously known as "Advanced Level Audit Risks & Tests") New revised 2018 edition of our very popular Exam Room Notes book. RETAINED FEATURE FROM MAJOR 2017 UPDATE - following numerous requests from students, for the 2017 edition of the book we added exam room notes on all Advanced Level Assurance areas such as internal audit, corporate governance, due diligence, examination of prospective information (ISAE 3400) and other areas - we have retained this feature for the 2018 edition of the book so our Exam Room Notes therefore provide reminders not only for statutory audit risks & tests questions but also on specialist assurance areas. Provides an alphabetical quick reference list of approximately 70 key audit test and risk areas and 14 assurance topics, based on our careful review of the ICAEW Study Manual for Corporate Reporting, the ICAEW Question Bank for Corporate Reporting and the previous "old" TI paper in Business Reporting, together with past papers and ICAEW mocks for both the evolved Advanced Level and "old" TI level. Useful as a quick reference guide to generate reminders in the exam, reducing the time that you will need to invest in revising Audit & Assurance, which is a fundamental element of the Corporate Reporting paper - 2 of the 3 questions in CR will have a heavy or even exclusive emphasis on Audit & Assurance so the importance of this book's information and quick reference approach has been further enhanced under the evolved ACA. This book removes the need for you to prepare your own folder notes on Audit & Assurance, leaving more time to invest in other aspects of the Advanced Level syllabus. In addition to reviewing past papers and mocks, we have carefully summarised the audit tests in the "Audit Focus" sections now included in the 2015 and later editions of the Corporate Reporting Study Manual to ensure that you have a quick reference source of tests which have been emphasised in the new Advanced Level materials (i.e. tests which the examiners appear keen for students to learn and mention but which are somewhat hidden away at the end of the financial reporting chapters of the Corporate Reporting Study Manual). All such tests are now indicated in bold in the relevant sections of our book. All 70 Audit areas and 14 Assurance topics are arranged in alphabetical order, allowing quick reference without having to remember which chapter to consult. Risks & tests are contained in the first part of the book and Assurance is split out separately in the second part of the book for ease of reference. Where relevant, cross references between Audit areas are also included, giving you reminders and hints. Important notice: this set of Exam Room Notes has been designed as a quick reference resource to remind you of content that you should already have studied in detail based on the ICAEW Study Manual and your tuition provider's notes. You must already have studied the Advanced Level syllabus in detail before using this book - the book is in no way designed to replace the Study Manual as a learning resource. If you have invested insufficient time in learning the syllabus content then our Exam Room Notes will not be comprehensible or useful as the book only provides reminders regarding material you must already have studied. Look out for our other Advanced Level Exam Room Notes publications (SBM Exam Room Notes and FR Exam Room Notes)! See [www.acasimplified.com](#) for more information on our popular Exam Room Notes series.

New revised 2016 edition of our very popular Audit Risks & Tests exam room notes book. Useful as a quick reference guide to generate reminders in the exam. Reduces the time that you will need to invest in revising Audit, which is a fundamental element of the Corporate Reporting paper, given the removal of Tax from this evolved ACA paper - now 2 of the 3 questions in CR will have a heavy or even exclusive emphasis on audit risks and tests so the importance of this book's information and quick reference approach has been further enhanced under the evolved ACA. This book removes the need for you to prepare your own folder notes on risks and tests, leaving more time to invest in other aspects of Audit or the other elements of the new Advanced Level. Smashing SBM is based around the same approach as our successful and best-selling Cracking Case book: practical, student-focused and simple advice on what to do to pass an unusual examination in which time management and examination technique are the key to success. This new 2019 edition has been fully updated for the new syllabus as well as for the key learning points raised by the 2018 ICAEW past papers. Given the relatively low number of questions in each SBM examination (just 2) and the very open nature of the requirements, it is vital that you have a way of determining which areas are important and which issues are going to attract fewer marks. Smashing SBM sets out an effective planning methodology (which we call MAPs) that helps you predict the mark allocation of sub-parts of a question and allocate your time effectively. Our MAPs give direction to your answer by providing reminders on how to assess the likely mark allocation whilst also reminding you of key things to do in Q1 and Q2, based on our review of examiner comments. Smashing SBM also contains very detailed reviews of the 10 ICAEW past papers set to date with a view to understanding patterns in the question format and content, as well as the mark allocation. Smashing SBM includes detailed revision of key financial management and business strategy topics, as assessed in the real examination papers and ICAEW SBM Mock exams. We have also included selected questions from our Business Strategy and Financial Management Q&A books to help you revise these areas very quickly. The book also contains detailed notes on the Specialist Audit & Assurance topics which are examinable at the Advanced Level. Our revision notes focus on areas other than statutory audit as we know that around 10% of the marks will be for these specialised areas such as Internal Audit, Agreed Upon Procedures, review of prospective information and so on. Smashing SBM contains detailed revision of ethics, including various ethical frameworks, to help you achieve the 5-10% of marks available for ethics in SBM. Smashing SBM is designed to pair up with its sister publication, SBM Exam Room Notes 2019, which offers clear, alphabetically-referenced sets of notes on all key SBM topics to provide exam room reminders of mark-scoring points - perfect for avoiding exam room panic!
