I have the ICO one, the speedrun trophy made me curse this otherwise beautifully serene game, but watching another run on youtube helped picking up a few tricks to get through several passages much faster. The last 15-20 minutes don't have any save points though which can get rather thrilling. Whatever you do, you should probably play both games without trophies in mind before you attempt any ...

Does anyone have the platinum trophies for these games ...
99Vidas Trophy Guide By ... Even if you would beat the game with every character as instructed in the Roadmap they would only have unlocked about half their upgrades. It costs an insane amount of points to fully upgrade a character, it's around 120K for each character and it will take you quite a long time to do so. Please see Tips & Strategies for point grinding methods. Do note that in local ...

ICO Roadmap – Infographic. Nov 8, 2017. Initial Coin Offerings have become state of the art crowdfunding mechanisms. Even though such campaigns have managed to raise millions of dollars in a matter of seconds a lot of preparation has to take place if a team wants to have a successful token sale. In the early days, it may have been possible to raise funds just with a good team, but investors ...
