IF I CAN'T HAVE YOU by Gregg Olsen and Rebecca Morris is the best book of Olsen's that I've read. In addition, it's the best book on the true crime case of Susan Powell on the market. As much as I love Ann Rule's books, IF I CAN'T HAVE YOU surpasses the book which includes her version of this case by far.

In If I Can't Have You, bestselling author Gregg Olsen and co-author Rebecca Morris investigate one of the 21st Century's most puzzling disappearances and how it resulted in the murder of two children by their father. Every once in a great while a genuine murder mystery unfolds before the eyes of the American public. The tragic story of Susan Powell and her murdered boys, Charlie and Braden, is the only case that rivals the Jon Benet Ramsey saga in the annals of true crime. When the pretty, blonde Utah mother went missing in December of 2009 the media was swept up in the story ' with lenses and microphones trained on Susan's husband, Josh. He said he had no idea what happened to his young wife, and that he and the boys had been camping in the middle of a snowstorm. Over the next three years bombshell by bombshell, the story would reveal more shocking secrets. Josh's father, Steve, who was sexually obsessed with Susan, would ultimately be convicted of unspeakable perversion. Josh's brother, Michael, would commit suicide. And in the most stunning event of them all, Josh Powell would murder his two little boys and kill himself with brutality beyond belief.

Lady Killer Richard Namey, 26, drug abuser and woman-beater, had already threatened a previous girlfriend with a gun, but she'd gotten away. Sarah Rodriguez, 21, wasn't so lucky. On April 16, 2002, in Orange County, California, she and her true love, Matt Corbett, 20, were forced off the road by Namey, who shot them both at point-blank range with a .357. Sarah was killed. Corbett was paralyzed for life. Real Hero After a 42-mile chase, Namey was finally cornered in a drainage tunnel by a police dog. He pleaded manslaughter, claiming he'd really meant to kill himself in front of Sarah. No deal. The man he faced was not your average deputy district attorney: Dennis Conway had pulled himself out of a wayward life torn by seemingly insurmountable tragedy and into law school. He knew all about guys like Namey--and exactly where to find the holes in his story. The verdict: first-degree murder, life sentence. Score one for the good guys. Includes 16 pages of shocking photos.

Successful businesswoman Madison enjoys her no-strings-attached relationship with Granville, but when she tries to break things off, he refuses to let her go and will do whatever it takes to make her see that he is perfect for her.

- With Dick Clark introducing American Bandstand, rock and roll music taking a solid hold, and hairstyles changing, a revolution was taking place. Movies with R-ratings and topless bars with go-go dancers played a role in the culture, and racing, on and off the streets, erupted into an all-time favorite sport with teens. A new generation was born, one that changed the world forever. But these were not happy, carefree times for all, including author Christi Golden-Clark. A pretty, naive teenager, she left home to escape the physical abuse of her adopted father, but life dealt her another blow. In FAMOUS LAST WORDS: -If I Can't Have You, No One Else Can, - she shares the details of her tumultuous relationship with a teenage boy who had the looks and charm of James Dean. However, he became insanely jealous and physically abusive. Despite these faults, Christi loved him and hoped her love would change him. Marriage and a baby didn't improve the situation. A dramatic and compelling memoir, Christi narrates a young life filled with physical and mental abuse that culminated in her being shot in December of 1969. FAMOUS LAST WORDS: -If I Can't Have You, No One Else Can- tells of her struggles to make it on her own against the odds of threats, stalking, and attempted murder. With her family now grown, she shares her story of abuse to encourage women to seek help and refuge before they and their families experience unnecessary abuse and domestic violence from a parent, partner or spouse. -
