E questo lo sanno bene i personaggi de " Il Principe Prigioniero " di C. S. Pacat, primo volume della serie Captive Prince, tradotto con grande sensibilità da Claudia Milani ed edito da Triskell Edizioni. Un libro paragonabile a un labirinto, a un meandro oscuro e impenetrabile, dove storia e personaggi si ramificano in una molteplicità di variazioni per poi raccogliersi e confluire in un corso limpido e unitario.

Damen is a warrior hero to his people, and the rightful heir to the throne of Akielos. But when his half-brother seizes power, Damien is captured, stripped of his identity and sent to serve the prince of an enemy nation as a pleasure slave. For Damen, there is just one rule: never, ever reveal his true identity. Because the one man Damen needs is the one man who has more reason to hate him than anyone else.

Bound to thrill long term online fans of the Captive Prince trilogy, this volume contains the original story in full alongside exclusive bonus short stories.

Damen è un guerriero e un eroe per il suo popolo, nonché il legittimo erede al trono di Akielos. Ma quando il fratellastro si impadronisce del potere, Damen viene catturato, privato del suo nome e spedito a servire il principe di una nazione nemica come schiavo di piacere. Bellissimo, manipolatore e pericoloso, il suo nuovo padrone, il principe Laurent di Vere, rappresenta tutto il peggio della corte di quel paese. Ma all'interno di quella letale ragnatela politica niente è come sembra, e quando Damen si trova, suo malgrado, invischiato nelle macchinazioni per il raggiungimento del potere, è costretto a collaborare con Laurent per sopravvivere e salvare la sua casa. Per il giovane condottiero, a quel punto vige una sola regola: non rivelare mai, in nessun caso, la propria identità, perché l'uomo da cui dipende è anche colui che, più di chiunque altro, ha motivo di odiarlo...

In order to stop a lethal plot and avoid war, Damen and Prince Laurent travel to the battlefield, but as the truth of their pasts comes to light, their trust in each other is tested and their lives are put at risk.

The stunning conclusion of worldwide phenomenon—from the boldly original author of Captive Prince and Prince 's Gambit. His identity now revealed, Damen must face his master Prince Laurent as Damianos of Akielos, the man Laurent has sworn to kill. On the brink of a momentous battle, the future of both their countries hangs in the balance. In the south, Kastor's forces are massing. In the north, the Regent's armies are mobilising for war. Damen's only hope of reclaiming his throne is to fight together with Laurent against their usurpers. Forced into an uneasy alliance the two princes journey deep into Akielos, where they face their most dangerous opposition yet. But even if the fragile trust they have built survives the revelation of Damen 's identity—can it stand against the Regents final, deadly play for the throne?

Pacat, heroes and villains of a long-forgotten war are reborn and begin to draw new battle lines. As London is threatened and old enmities are awakened, Will must stand with the last heroes of the Light to prevent the fate that destroyed their world from returning to destroy his own. Like V.E. gritty YA fantasy duology. King Arthur meets Peaky Blinders with vampires. The novel follows a gang of outcasts in a deadly heist led by Arthie Casimir to save her tearoom—which fronts an illegal blood house, where local vampires can purchase fresh blood.

Cold cases, murder, lies, and an unimaginable truth. Sydney detective August Shaw has spent the last decade of work solving cold cases. Since the death of his boyfriend eight years ago, August works alone, lives alone, is alone -- and that's exactly how he likes it. His work is his entire life, and he's convinced a string of unsolved cold-case suicides are linked to what could be Australia's worst ever serial killer. Problem is, no one believes him. Senior Constable Jacob Porter loves his life in the small town of Tallowood in the middle of the rainforests in northern New South Wales. He runs summer camps for the local Indigenous kids, plays rugby with his mates, has a close family, and he's the local LGBTQIA+ Liaison and the Indigenous Liaison Officer. When human remains are found in the camping grounds at Tallowood Reserve, Jake's new case turns out to be linked to August's cold cases, and Jake agrees they're not suicides at all. With Jacob now firmly in August's corner, they face one hurdle after another, even when more remains are found, they still can't seem to gain ground. But when the body of a fellow police officer turns up under the same MO, it can't be ignored anymore. August and Jake must trace the untraceable before the killer takes his next victim or before he stops one of them, permanently.

A full length STANDALONE book. She's his captive. He's her captor. Their relationship is a volatile push and pull. He plays the villain, and she plays the victim; each play their roles to a tee. One buries the past to forget, the other fights to remind the other how they began. She is desperate to escape. He is desperate to keep her. One thing is clear: Only one will be left standing at the end
