## ~~I'm Adopted — Home~~

“Am I adopted?” Many people, both in their adolescence and as adults, have found themselves wondering, “Was I adopted?” Sometimes this thought only occurs once, but for some, there is a persistent nagging suspicion that their parents are not biologically related to them.

## ~~Am I Adopted? Finding Out You're Adopted & What to Do Next ...~~

Finding out that you are adopted is understandably a life-changing experience. Many people find out they are adopted early on, and it is their normal. However, there have been many people who

have found out they were adopted by accident. There may also be a suspicion of adoption after your parents have passed or shortly before.

~~How Can I Find Out if I'm Adopted? | Adoption.org~~

You could take an educated guess and use your brain to find out, or maybe you could ask your parents (if they really are your parents) to find out. But the easiest way to find out if you are adopted is to take my simple quiz. After a few questions, it will soon become clear to you whether you are adopted or not.

## ~~Live Talks & Resources— I'm Adopted~~

Adoption is very common in many countries and some families have chosen not to openly discuss the arrangement with their adopted children. You may have some suspicions that you were adopted, and there are some things you can do to investigate those questions. If you can, though, asking your family is the best idea.

Identical twins, given up at birth are separated and adopted by 2 different families. One family takes one of the twins back to their home in Mexico and the other boy is sent to live with a family in Egypt. Years later the birth parents receive a letter from their son in Mexico and inside the letter is a picture of him.
