“I must learn to love the fool in me the one who feels too much, talks too much, takes too many chances, wins sometimes and loses often, lacks self-control, loves and hates, hurts and gets hurt, promises and breaks promises, laughs and cries” This was said by Theodore Rubin, but it was first said in Praise of Folly. This wonderful book brings life and illumination to that above quote and helps you to appreciate it's fullest meaning.

Presents a selection of writings by sixteenth-century Dutch theologian Desiderius Erasmus, including "The Praise of Folly," an ironic speech by the pagan goddess Folly in praise of herself, and includes critical essays.

The goddess Folly gives a speech, praising herself and explaining how much humanity benefits from her services, from politicians to philosophers, aristocrats, schoolteachers, poets, lawyers, theologians, monarchs and the clergy. At the same time, her discourse provides a satire of Erasmus's world, poking fun at false pedantry and the aberrations of Christianity. Woven throughout her monologue, a thread of irony calls into question the goddess's own words, in which ambiguities, allusions and interpretations collide in a way that makes Praise of Folly enduringly fascinating.
