in search of duende is a slim collection of expository essays in which garc í a lorca considers the inspiring force of the duende, and its effects upon three differing art forms. this hard to define concept is made clear (or as clear as such a concept can be made) by the spanish poet through example and thoughtful consideration. "deep song" and "play and theory of the duende" are the highlights of this work. interspersed throughout are some of garc í a lorca's poems, including the stunning "lament f

Duende is about giving in to the moment and connecting with the universe. Letting grief wash over you is a form of therapy and liberation. He introduces the concept of duende as the counterpart of the muse. When the muse's work is done the duende comes in and takes over your self. Duende is both string and flexible, conniving and gullible.

Merriam-Webster defines duende as “ the power to attract through personal magnetism and charm, ” but to flamenco aficionados it means so much more. Duende or tener duende (“ having duende ”) can be loosely translated as having soul, a heightened state of emotion, expression, and heart. The artistic and especially musical term was derived from the duende, a fairy or goblin-like creature in Spanish and Latin American mythology.

Duende - Wikipedia

According to Christopher Maurer, editor of "In Search of Duende", at least four elements can be isolated in Lorca's vision of duende: irrationality, earthiness, a heightened awareness of death, and a dash of the diabolical. The duende is an earth spirit who helps the artist see the limitations of intelligence, reminding them that "ants could eat him or that a great arsenic lobster could fall ...

Ah, the word 'search' is typically a noun! But then, idiomatically, it can be used as a 'verb'. The American Heritage Idioms Dictionary defines it: Looking for, seeking, as in They went to California in search of gold, or I went to the library in quest of a quiet place to read.. On the other hand, in search for is possible but it's probably used in headlines or in the context where the 'search ...
