To Make Their Own Way in the World features essays by prominent scholars from the disciplines of history, anthropology, art history, and American studies. Together, they explore such topics as the identities and experiences of the seven people depicted in the daguerreotypes, the close relationship between photography and race in the nineteenth century, and visual narratives of slavery and its lasting effects.

### About the Book | Peabody Museum

make (one's) own way. To advance or progress, especially through life, according to one's own efforts, inclinations, or designs. This country prides itself on letting people make their own way, relying on no one else's work but their own. We've tried to give Jack all the guidance and support we can, but at the end of the day, he has to make his own way in the world.

There is no right way to mourn the loss of someone or something that mattered to you more than life itself. But there is a wrong way, and that is to judge someone else for their process, to make them feel bad when they are already at a low. Please remember that we all must find a way to move forward in the wake of loss.
