This was especially the case in the India that existed from 1200 to 1750, before the European intervention. The book takes the reader on a journey across the political, economic, religious and cultural landscapes of medieval India, from the Ghurid conquests and the Dehli Sultanate to the great court of the Mughals. This was a time of conquest and consolidation, when Muslims and Hindus came together to create a unique culture which still resonates in today's India.
