While the three countries are in talks to finalize the supply chain agreement, India's Goyal said the architecture for a trade deal with the U.S. is already in place and the two nations could possibly sign the pact before the U.S. elections. ©2020 Bloomberg L.P.

Japan, Australia and India to Launch Supply Chain Initiative

Why Businesses in India are Building Local Supply Chain Capacity. Some businesses in India have set-up local supply chain operations with the aim of de-risking from China, lowering manufacturing costs, and escaping high import duties levied by the government. By gradually expanding its local sourcing capacity and distribution networks enabled by provision of key incentives and regulatory relaxations to foreign investors, India can enter the global supply chain and become an alternative to China.
