School refusal affects up to 5% of children and is a complex and stressful issue for the child, their family and school. The more time a child is away from school, the more difficult it is for the child to resume normal school life. If school refusal becomes an ongoing issue it can negatively impact the child's social and educational development. Psychologist Joanne Garfi spends most of her working life assisting parents, teachers, school counsellors, caseworkers, and community policing officers on how best to deal with school refusal. Now her experiences and expertise are available in this easy-to-read practical book. Overcoming School Refusal helps readers understand this complex issue by explaining exactly what school refusal is and provides them with a range of strategies they can use to assist children in returning to school. Areas covered include: • types of school refusers • why children refuse to go to school • symptoms • short term and long term consequences • accurate

Subject Covered: The human figure is a three dimensional structure of solid blocks having weight and to draw it convincingly you must learn how to create an illusion of solid form on a two dimensional sheet of paper. The topics in this book are arranged conveniently in step by step sequential chapters, which will show you how to capture the spirit and evolution of the figure. This will streamline your thoughts and result in capturing the essence of the figure in the shortest time. The approach of this book is based on teachings of the great masters of this subject which resulted in figure drawings of unforgettable strength and beauty. This book explains all the necessary guidelines towards the proper study of the human figure. Whether you want to learn figure drawing as a hobby or make a career out of it, the simple instructions in this book will help you in achieving that goal. Remember the key to successful drawing of the human figure is to practise one concept at a time.

Demons, devils, spirits and vampires are present throughout popular Western culture in film, music and literature. Their religious

significance has only recently begun to be explored. 'The Lure of the Darkside' brings together the work of some of the most important and creative scholars in the field of Biblical and Religious Studies. The essays explore demonology in popular culture from a range of perspectives: Satanism within contemporary music; the relationship between hymn and horror film; the career of Hannibal Lecter; the portrayal of Satan in films about Christ; and spiritual perversion in the Harry Potter Stories. This fresh and ground-breaking volume will be of interest to students of religious studies and theology, as well as literary and popular culture.

There are many considerations that influence how a transaction is structured, including tax considerations. The most basic tax issue is whether to structure the transaction as taxable or tax-free. In general, there are four basic structures for a corporate acquisition: (1) a taxable acquisition of a target corporation's stock; (2) a taxable acquisition of a target corporation's assets; (3) a tax-free acquisition of the target corporation's stock; or (4) a tax-free acquisition of a target corporation's assets.
