In Inside Studio 54, the former owner takes you behind the scenes of the most famous nightclub in the world, through the crowd, to a place where celebrities, friends, and the beautiful people sip champagne and share lines of cocaine using rolled-up hundred-dollar bills. In the early eighties, Mark Fleischman reopened Studio 54, the world's most glamorous and notorious nightclub, after it was closed down by the State of New York.

Nestled between 8th and Broadway in New York City, Studio 54 was an escape from the outside world. For big stars like Cher, the club offered a place to be herself, free from the pressures of screaming fans and hungry paparazzi. Getty Images Photo by Allan Tannenbaum The Goddess of Pop was a common installment at Studio 54.
