Inside the Poker Mind: Essays on Hold 'em and General ...

In Inside the Poker Mind we have a collection of essays which relate Feeney's thoughts about poker and the folks who play it. This book is divided into five sections. After some introductory material, Part One begins covering what Feeney calls "Technical Points". These essays cover a variety of subjects, and I don't really know what the section title refers to.

Poker Books - Best Poker and Gambling Books Online
Poker psychology has been studied and written about ad nauseam. It is a field that has fascinated psychologists, coaches, and players for eons. There is something magnificent about going head-to-head against great poker talent and emerging victorious. Some players rely on good fortune to get them through SNGs and MTTs.
