Covering both practical and theoretical angles, established researchers from around the ...

International Handbook of Internet Research | Jeremy ...

The first International Handbook of Educational Leadership and Administration (Leithwood et al.) was published in 1996 and quickly became something of a best seller for reference works within education. Such success, we suggest, was at least partly due to the unprecedented global waves of concern for improving schools launched in the mid 1980's, combined with a widespread belief in leadership ...
