Inventing the Victorians is a journalist's reappraisal of Victorian life and culture, following a century of modernism which tried to separate itself from the Victorian world as much as possible. Sweet's conclusion -- which is well argued with strong examples -- is that our passions, interests and concerns, far from being a contrast to those of the Victorians, are a continuation of what they did and thought.

Inventing the Victorians: Amazon.co.uk: Sweet, Matthew ...
Matthew Sweet's Inventing the Victorians attempts much, and often succeeds; it also stumbles and falls too often on its face. To me, the problem is that Sweet isn't sure whether he wants to be an investigative journalist, an academic historian or a clever and slightly acidic raconteur. There is much to recommend in this book.

Inventing the Victorians by Matthew Sweet - Goodreads

Inventing the Victorians - Matthew Sweet - Google Books
Inventing the Victorians September 02, 2020 There's an idea behind this book which I sympathise with, and that's the way people too often accept myths about history for truth. The present uses the past to reflect its own ideologies and sensibilities: myths have their uses. Sweet suggests that the purpose of widely-accepted notions such as ...
